

Informed Consent Form

Human-Robot Interaction WiSe 2021/22

Full Name: _____

Date: ____/Feb/2022

The following will provide you general information about the experiment to decide whether to participate or not. If you agree to participate, please be aware that you are free to withdraw at any given point throughout the duration of the experiment without any negative consequences.

About the study

In this study we will ask you to walk through a virtual environment while wearing a virtual reality headset. The scenario may be distressing on purpose. If you have any doubt and wish to withdraw from participation, please inform the experimenter and the trial will end immediately. If at any point during this study you do not feel comfortable, you may take off the VR headset and your information will be discarded.

All information you provide will remain confidential and will not be associated with your name. Your participation in this study will require approximately 20 minutes. When this study is complete you will be provided with the results of the experiment if you request them, and you will be free to ask any questions.

If you have any further questions concerning this study please feel free to contact us through email: Alina Ohnesorge (aohnesorge@uni-osnabrueck.de), Paula-Marie Schillo (pschillo@uni-osnabrueck.de), Jana Stefan (janstefan@uni-osnabrueck.de), Maik van Do (mvando@uni-osnabrueck.de), Ramon Zacharias (rzacharias@uni-osnabrueck.de).

Please indicate with your signature on the space below that you understand your rights and agree to participate in the experiment. Your participation is strictly voluntary. All information will be kept confidential and your name will not be associated with any research findings.
